Cut! Kick! Get angry!  
The Japanese samurai big action drama is again appearing!

**NOW, WHERE IS THE SERIOUS VICTORY?!**

The thundering name of those extreme katana battles from fighting history answer your expectations with an extreme rebirth. The sharpness of "catching weapons in the palm of your hand" type samurai actions has increased more and more, and the curtain rises on the new anger system's "even more deadly than before" big action drama. Two people can play at once!

- Super splendid! 15 swordsmen line up.
- Super secret! Weapon destroying special attacks.
- Super evolution! Attack, defend, taunt.
- Super varied! Set-able options
