

BEAT THE HEAT!

In a vain effort to increase his popularity with the ladies, Satan has pulled the sun closer to his home on a remote island creating his own personal resort paradise. Unfortunately for him, Arle and Kaa-Kun find the heat wave unbearable and decide to take action...

Carefully set up and pull off puyo combos to defeat your opponents in **Compile's** third installment of the **Puyo Puyo** series. Through thoughtful planning and strategic use of the new "Sun Puyo", you will defeat Satan and return the sun to it's proper position.
